### **Non-GAAP Financial Measures**

Avid includes non-GAAP financial measures in this press release, including Adjusted EBITDA, Free Cash Flow, and Non-GAAP Net Income per Share. Avid believes the non-GAAP financial measures provided in this release provide helpful information to investors with respect to evaluating the Company's performance. Unless noted, all financial information is reported based on actual exchange rates. Definitions of the non-GAAP financial measures are included in our Form 8-K filed on November 7, 2019.

This press release also includes forward-looking non-GAAP financial measures, including Adjusted EBITDA, Free Cash Flow, and Non-GAAP Net Income Per Share. Reconciliations of these forward-looking non-GAAP financial measures are not included in the press release due to the high variability and difficulty in making accurate forecasts and projections of some of the excluded information, together with some of the excluded information not being ascertainable or accessible at this time. As a result, the Company is unable to quantify certain amounts that would be required to be included in the most directly comparable GAAP financial measure without unreasonable efforts.
