## **Item 2.02. Results of Operations and Financial Condition.**

On November 9, 2017, the Company issued a press release announcing its financial results for the fiscal quarter ended September 30, 2017 (the “Press Release”). The full text of the Press Release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

## **Item 7.01 Regulation FD Disclosure.**

The information contained in Item 2.02 is incorporated by reference herein.

**Non-GAAP and Operational Measures.** The attached Press Release includes the following non-GAAP financial measures: non-GAAP operating income (loss), non-GAAP operating expenses, non-GAAP gross margin, Adjusted EBITDA, Adjusted EBITDA margin, Adjusted Free Cash Flow, and Adjusted Free Cash Flow conversion of Adjusted EBITDA. Non-GAAP operating income (loss), non-GAAP operating expenses, Adjusted EBITDA and Adjusted EBITDA margin exclude restructuring costs, stock-based compensation, amortization and impairment of intangibles as well as other unusual items such as costs related to the restatement, M&A related activity, efficiency program and impact of significant legal settlements. Avid defines non-GAAP revenue as GAAP revenue plus revenue eliminated through the application of purchase accounting which requires acquired deferred revenue to be recorded at fair value rather than the amount paid by customers. Avid defines Adjusted EBITDA as non-GAAP operating income (loss) excluding depreciation and all amortization expense. Avid defines Adjusted EBITDA margin as Adjusted EBITDA divided by non-GAAP revenue. Avid defines Adjusted Free Cash Flow conversion of Adjusted EBITDA as Adjusted Free Cash Flow divided by Adjusted EBITDA. Avid defines Adjusted Free Cash Flow as GAAP operating cash flow less capital expenditures and excludes from free cash flow payments or receipts related to M&A, significant legal settlements, restructuring, restatement or other non-operational or non-recurring events. Reconciliations of these non-GAAP financial measures to their most comparable GAAP measures are contained in the tables accompanying the Press Release. The attached Press Release also includes forward-looking non-GAAP financial measures, including Adjusted EBITDA, non-GAAP Operating Expenses and Adjusted Free Cash Flow. Reconciliations of these forward-looking non-GAAP financial measures were not included in the attached Press Release due to the high variability and difficulty in making accurate forecasts and projections of some of the excluded information, together with some of the excluded information not being ascertainable or accessible at this time. As a result, the Company is unable to quantify certain amounts that would be required to be included in the most directly comparable GAAP financial measure without unreasonable efforts.

These non-GAAP measures reflect how Avid manages its businesses internally. Avid’s non-GAAP measures may vary from how other companies present non-GAAP measures. Non-GAAP financial measures are not based on a comprehensive set of accounting rules or principles. This non-GAAP information supplements, and is not intended to represent a measure of performance in accordance with, disclosures required by generally accepted accounting principles, or GAAP. Non-GAAP financial measures should be considered in addition to, not as a substitute for or superior to, financial measures determined in accordance with GAAP.

The attached Press Release also includes operational measures, such as bookings, recurring revenue bookings and revenue backlog. Definitions of these measures are included in the supplemental financial and operational data sheet available on our investor relations webpage at [ir.avid.com](http://ir.avid.com).

**Limitation on Incorporation by Reference.** The information furnished in Items 2.02 and 7.01, including the Press Release attached hereto as Exhibit 99.1 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

**Cautionary Note Regarding Forward-Looking Statements.** This Form 8-K, and the Press Release attached as Exhibit 99.1 contain forward-looking statements that involve certain risks and uncertainties that could cause actual results to differ materially from those expressed or implied by these statements. **BURLINGTON, Mass., Nov. 9, 2017** Avid® (NASDAQ:AVID) today announced its third quarter 2017 financial results and provided its guidance for the fourth quarter of 2017.

### Highlights of Third Quarter 2017 Results

- Bookings were \$102.8 million, above the upper end of guidance. Constant Currency Bookings were \$107.9 million, in line with guidance.
- GAAP Revenue was \$105.3 million, above the upper end of guidance.
- GAAP Gross Margin was 57.3%. Non-GAAP Gross Margin was 59.3%.
- GAAP Operating Expenses were \$56.7 million. Non-GAAP Operating Expenses were \$53.9 million, in line with guidance.
- GAAP Net Income was \$72,000.
- Adjusted EBITDA was \$11.5 million, in line with guidance.
- GAAP Net Cash provided by Operating Activities was \$31,000.
- Adjusted Free Cash Flow was \$0.5 million, at the upper end of guidance. This is the fourth consecutive quarter of positive Adjusted Free Cash Flow. For the first nine months of 2017, Adjusted Free Cash Flow was up \$55.7 million compared to the same period in 2016.

### Avid Progressing on Strategic Growth Objectives

- Enterprise: During the third quarter, Avid signed several multi-year enterprise deals with large customers, including Viacom and NHK, Japan's national public broadcaster; total licenses for the MediaCentral platform as of the end of the third quarter were nearly 51,000, up 27% year-over-year.
- Individual: Direct digital bookings, primarily with individual creative professionals, were up 35% year-over-year; individual subscriptions surpassed 84,000, up 69% year-over-year.
- Visibility: Increasing recurring revenue bookings is positively impacting Avid's revenue backlog of \$488 million, which grew \$51 million year-over-year and is increasing visibility.

"We are pleased to have delivered another quarter of meeting or exceeding our guidance for all our key metrics," said Louis Hernandez, Jr., Chairman and Chief Executive Officer of Avid. "The completion of the transformation in the second quarter of 2017 has positioned us to drive profitable growth, increase revenue visibility and cash flow. In the third quarter, we achieved meaningful growth across bookings, revenue excluding pre-2011 and eliminating PCS, adjusted EBITDA and adjusted free cash flow."

Mr. Hernandez continued, "Customers ranging from the largest media enterprises to individual artists continue to adopt Avid's innovative new solutions. With our cloud-enabling MediaCentral platform,

enterprises are unlocking greater strategic value from their Avid partnership as we help them to achieve new economies of scale while they work to engage audiences on any device with increasing amounts of content. Individual creatives and teams are empowered with Avid's tools and value-added communities to answer the escalating demand for content. I am excited about Avid's future as we work to continue our growth, further improve our profitability and increase our free cash flow."

### Expanded Loan Facility

On November 9, 2017, Avid and Cerberus agreed to increase the existing term loan by \$15.0 million and expand the amount of revolving credit by \$5.0 million for a \$20.0 million total increase in available liquidity. The amended loan facility provides Avid an option to purchase \$15.0 million of its convertible bonds. In addition, the Company and Cerberus agreed to a revised calculation for the leverage ratio requirement in order to reflect the non-cash revenue impact related to the Company's adoption of the new revenue standard (Accounting Standards Codification 606).

### Financial Guidance

Avid's fourth quarter 2017 financial guidance is provided in the table below.

"We're pleased with our third quarter and year-to-date performance," said Brian E. Agle, Senior Vice President and Chief Financial Officer of Avid. "Our quarter represents an important step toward growth. We will continue our focused execution on growing revenue, managing expenses and further increasing free cash flow and liquidity."
