#### Item 2.02 Results of Operations and Financial Condition.

On May 4, 2023, Avid Technology, Inc. (the "Company") issued a press release announcing its financial results for the first quarter ended March 31, 2023 (the "Press Release"). The full text of the Press Release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

#### Item 7.01 Regulation FD Disclosure.

The information contained in Item 2.02 is incorporated by reference herein.

Non-GAAP and Operational Measures. The attached Press Release includes financial measures that are not based on generally accepted accounting principles, or GAAP. These non-GAAP financial measures, which are not based on a comprehensive set of accounting rules or principles, include the following: Non-GAAP Gross Margin, Non-GAAP Subscription & Maintenance Gross Margin, Non-GAAP Integrated Solutions Gross Margin, Non-GAAP Operating Expenses, Non-GAAP Operating Income, Adjusted EBITDA, Adjusted EBITDA Margin, Non-GAAP Net Income, Non-GAAP Earnings Per Share, and Free Cash Flow.

- Non-GAAP Gross Margin is defined as GAAP gross margin, excluding stock-based compensation expense.
- Non-GAAP Subscription & Maintenance Gross Margin is defined as Subscription & Maintenance GAAP gross margin, excluding stock-based compensation expense.
- Non-GAAP Integrated Solutions Gross Margin is defined as Integrated Solutions GAAP gross margin, excluding stock-based compensation expense.
- Non-GAAP Operating Expenses are defined as GAAP operating expense excluding restructuring costs, stock-based compensation, amortization of
  intangible assets as well as other unusual items such as costs related to M&A related activity, transformation costs and early retirement related
  costs.
- Non-GAAP Operating Income is defined as GAAP operating income excluding restructuring costs, stock-based compensation, amortization of
  intangible assets as well as other unusual items such as costs related to M&A related activity, transformation costs and early retirement related
  costs.
- Adjusted EBITDA is defined as Non-GAAP operating income excluding depreciation expense.
- Adjusted EBITDA Margin is defined as Adjusted EBITDA divided by GAAP Net Revenues.
- Non-GAAP Net Income is defined as GAAP net (loss) income excluding restructuring costs, stock-based compensation, amortization of intangible
  assets, Non-GAAP tax adjustments, as well as other unusual items such as costs related to M&A related activity, transformation costs and early
  retirement related costs.
- Non-GAAP tax adjustments are defined as the tax impact on non-GAAP adjustments
- Non-GAAP Earnings Per Share is defined as Non-GAAP Net loss) Income divided by weighted-average common shares outstanding.
- Free Cash Flow is defined as GAAP operating cash flow less capital expenditures.

Reconciliations of these non-GAAP financial measures to their most comparable GAAP measures are contained in the tables accompanying the Press Release. The Press Release furnished herewith also includes forward-looking non-GAAP financial measures, including estimated Adjusted EBITDA, Non-GAAP Earnings Per Share and Free Cash Flow for future periods. Reconciliations of these forward-looking non-GAAP financial measures are not included in the Press Release furnished herewith due to the high variability and difficulty in making accurate forecasts and projections of some of the excluded information, together with some of the excluded information not being ascertainable or accessible at this time. As a result, the Company is unable to quantify certain amounts that would be required to be included in the most directly comparable GAAP financial measure without unreasonable efforts.

These non-GAAP financial measures reflect how Avid manages its businesses internally. Avid's Non-GAAP measures may vary from how other companies present non-GAAP measures. This non-GAAP information supplements, and is not intended to represent a measure of performance in accordance with, disclosures required by GAAP. Non-GAAP financial measures should be considered in addition to, not as a substitute for or superior to, financial measures determined in accordance with GAAP.

The Press Release furnished herewith also includes or references the operational metrics of Active Paid Software Subscriptions, Recurring Revenue, LTM Recurring Revenue %, Annual Contract Value and Revenue Backlog. Definitions of these operational metrics appear below and are also included in the supplemental financial and operational data sheet available on our investor relations webpage at ir.avid.com.

- Active Paid Software Subscriptions as of a date represent the number of paid subscription licenses under an active contract as of that date, excluding any licenses that may be receiving service under an active contract but that are not paid for at that time by the customer, whether due to a promotion, cancellation or otherwise. Active Paid Software Subscriptions were previously referred to as Active Paid Software Subscriptions.
- Recurring Revenue is defined as the sum of subscription revenue, maintenance revenue and revenue under our long-term contractual agreements.
- · LTM Recurring Revenue % is Recurring Revenue divided by Total Net Revenue for the most recent four quarters.
- Annual Recurring Revenue (ARR) is an operating metric that represents the contracted value of all subscription, cloud and maintenance customer support agreements normalized to a one-year period. Total ARR includes only active contractually committed agreements and is the sum of Subscription ARR and Maintenance ARR. Subscription ARR represents the contracted value of our term subscription offerings and our cloud offerings normalized to a one-year period. Subscription ARR is calculated at the end of a period as the sum of (1) the total contract value of each active term subscription agreement divided by the term of the agreement plus (2) the annualized value of active recurring cloud subscription and services agreements. Maintenance ARR represents the contracted value of all term maintenance customer support agreements normalized to a one-year period. Maintenance ARR is calculated at the end of a period by dividing the total contract value of each active maintenance customer support agreement by the term of the agreement.
- Annual Contract Value is defined, as of a given date, as the sum of the following three components: (i) the annual value of all long-term contractual agreements in effect on such date, calculated by dividing the total value of each contract (excluding expected maintenance revenue included in (ii) below and expected subscription revenue included in (iii) below) divided by the total number of years of such contract, (ii) maintenance revenue for the quarter ended on such date, multiplied by four, and (iii) subscription revenue for the quarter ended on such date, multiplied by four.
- Revenue Backlog consists of firm orders received and includes both (i) orders where the customer has been invoiced in advance of our
  performance obligations being fulfilled and (ii) orders for future product deliveries or services that have not yet been invoiced by us.

*Limitation on Incorporation by Reference.* The information furnished in Items 2.02 and 7.01, including the Press Release furnished herewith as Exhibit 99.1 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such a filing.

*Cautionary Note Regarding Forward-Looking Statements.* This Form 8-K, and the Press Release furnished herewith as Exhibit 99.1 contain forward-looking statements that involve certain risks and uncertainties that could cause actual results to differ materially from those expressed or implied by these statements. Please refer to the cautionary notes in the Press Release regarding these forward-looking statements.

## **Avid Technology Announces Q1 2023 Results**

Subscription ARR of \$150 million, an increase of 30.1% year-over-year, and total Annual Recurring Revenue (ARR) of \$247 million, an increase of 8.1% year-over-year

Subscription revenue of \$39.4M, an increase of 19.5% year-over-year, driven by a net increase of 20,700 Active Paid Software Subscriptions in the quarter

#### Reaffirming 2023 annual guidance

BURLINGTON, Mass., May 4, 2023 -- Avid® (NASDAQ: AVID), a leading technology provider that powers the media and entertainment industry, today announced its financial results for the first quarter of 2023, which ended on March 31, 2023.

Total revenue decreased (2.8%) year-over-year in the first quarter, or (0.1%) at constant currency, largely resulting from a decline in perpetual software revenue, which is reported in integrated solutions and other revenue, partially offset by strong growth in subscription revenue. Active Paid Software Subscriptions reached 526,700 as of March 31, 2023, an increase of 22.0% year-over-year. At March 31, 2023, Subscription ARR was \$150 million, an increase of 30.1% year-over-year, and total ARR was \$247 million, an increase of 8.1% year-over-year. At constant currency, Subscription ARR increased 31.1% year-over-year and total ARR increased 9.2% year-over-year.

In the first quarter, subscription revenue was \$39.4 million, up 19.5% year-over-year, or 21.2% at constant currency, and subscription & maintenance revenue was \$62.0 million, up 1.2% year-over-year, or 4.1% at constant currency. Maintenance revenue was \$22.6 million in the first quarter, down 20.0% year-over-year, primarily driven by enterprise customers continuing to transition to subscription. Maintenance revenue is expected to stabilize through the remainder of 2023, as a result of an expected increase in shipments from the integrated solutions backlog beginning in the second quarter of 2023, as well as modifications to maintenance pricing. Integrated solutions revenue was \$28.7 million in the first quarter, up 1.8% year-over-year, as demand continued to be healthy. However, supply chain constraints continued to limit production capacity, resulting in \$20 million of unshipped contractually committed backlog at the end of the quarter.

During the first quarter, Gross Margin was 63.6% and Non-GAAP Gross Margin was 64.0%, down 280 basis points year-over-year, as continuing supply chain challenges negatively impacted audio hardware gross margin due to temporary higher production costs as well as shipments from aged backlog at older prices that do not reflect price increases during 2022. These challenges in audio gross margin, which are expected to be temporary, had a flow through impact on net income (loss), Adjusted EBITDA and Free Cash Flow in the quarter. The Company is proactively managing the associated costs and pricing for its audio hardware and believes these measures will have a positive effect on gross margin in the audio hardware business and the Company's overall gross margin for the remainder of 2023. Subscription and maintenance gross margin remained strong at 85.5% during the first quarter.

#### First Quarter 2023 Financial and Business Highlights

- Free Cash Flow was (\$6.5) million in the quarter, a decrease of (\$11.2) million compared to the first quarter of 2022.
- LTM Recurring Revenue % was 85.0% of the Company's revenue for the 12 months ended March 31, 2023, up from 79.1% for the 12 months ended March 31, 2022.
- The Company repurchased 15,706 shares for \$0.4 million during the first quarter. Through March 31, 2023, the Company has repurchased 2.9 million shares for \$78.4 million under the \$115 million share repurchase authorization announced on September 9, 2021.

Jeff Rosica, Avid's Chief Executive Officer and President, stated, "We ended the first quarter with continued strong subscription growth, as well as a continued favorable bookings trend, which gives us confidence in our full-year 2023 outlook. Our customers continue to adopt both our enterprise subscription and creative subscription offerings, resulting in strong growth in Subscription ARR, which we believe is a key metric in measuring the health of our business. In addition, as we work through the resolution of the ongoing supply chain issues, we did face some specific challenges and additional costs in the quarter, related to our audio hardware products, that were more significant than expected. This created substantial and unexpected gross margin headwinds for audio hardware, which impacted overall profitability and Free Cash Flow in the quarter." Mr. Rosica added, "We remain confident in our growing subscription and SaaS business, which, combined with the actions we are taking to improve our audio hardware margins and proactively manage our cost structure, we believe, will enable us to meet our 2023 guidance."

Ken Gayron, Executive Vice President and Chief Financial Officer of Avid, said, "As the media markets we serve continue to invest in technology solutions such as ours to gain efficiencies, we continue to focus our investments on our subscription and cloud offerings." Mr. Gayron added, "We believe these investments will drive continued strong growth in our subscription business and ARR as we look forward. We believe ARR is a key metric for assessing the growth of our strategic recurring revenue and normalizes the impact of accounting methodologies in a given period. Additionally, the actions we are taking to realign our cost structure to support our expanding subscription business give me confidence in our 2023 guidance."

#### Second Quarter and Full-Year 2023 Guidance

## **Non-GAAP Financial Measures and Operational Metrics**

Avid includes non-GAAP financial measures in this press release, including Adjusted EBITDA, Adjusted EBITDA Margin, Free Cash Flow, Non-GAAP Gross Margin, Non-GAAP Subscription and Maintenance Gross Margin, Non-GAAP Integrated Solutions Gross Margin, Non-GAAP Operating Expenses, Non-GAAP Net Income, and Non-GAAP Earnings per Share. The Company also includes the operational metrics of Active Paid Software Subscriptions, Annual Recurring Revenue (or ARR), Subscription ARR, Recurring Revenue, and LTM Recurring Revenue % in this release. Avid believes the non-GAAP financial measures and operational metrics provided in this release provide helpful information to investors with respect to evaluating the Company's performance. Unless noted, all financial and operating information is reported based on actual exchange rates. Constant currency growth rates are calculated using the current period budget exchange rates as of January 2023 for both the historical and current periods. Definitions of the non-GAAP financial measures and the operational metrics are included in our Form 8-K filed today. Reconciliations of the non-GAAP financial measures presented in this press release to the Company's comparable GAAP financial measures for the periods presented are set forth below and are included in the supplemental financial and operational data sheet available on our Investor Relations website at ir.Avid.com, which also includes definitions of all operational metrics.

This press release also includes expectations for future Adjusted EBITDA, Non-GAAP Earnings per Share and Free Cash Flow, as adjusted, which are forward-looking non-GAAP financial measures. Reconciliations of these forward-looking non-GAAP measures are not included in this press release or elsewhere, due to the high variability and difficulty in making accurate forecasts and projections of some of the information excluded from the estimation of the non-GAAP results, together with some of the excluded information not being ascertainable or accessible at this time. As a result, we are unable to quantify certain amounts that would be required to be included in the most directly comparable GAAP financial measure without unreasonable efforts.

#### **Forward-Looking Statements**

Certain information provided in this press release includes forward-looking statements within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Examples of forward-looking statements include statements regarding our future financial performance or position, results of operations, business strategy, plans and objectives of management for future operations, and other statements that are not historical fact. You can identify forward-looking statements by their use of forward-looking words such as "may", "will", "anticipate", "expect", "believe", "estimate", "intend", "plan", "should", "seek", or other comparable terms.

Readers of this press release should understand that these forward-looking statements are not guarantees of performance or results. Forward-looking statements provide our current expectations and beliefs concerning future events and are subject to risks, uncertainties, and factors relating to our

business and operations, all of which are difficult to predict and could cause our actual results to differ materially from the expectations expressed in or implied by such forward-looking statements.

These risks, uncertainties, and factors include, but are not limited to: the effect of the continuing worldwide macroeconomic uncertainty and its impacts, including inflation, market volatility and fluctuations in foreign currency exchange and interest rates on our business and results of operations, including impacts related to acts of war, armed conflict, and cyber conflict, such as for example, the Russian invasion of Ukraine, and related international sanctions and reprisals; risks related to the availability and prices of raw materials, including any negative effects caused by inflation, armed conflict and related sanctions, weather conditions, or health pandemics; disruptions, inefficiencies, and/or complications in our operations and/or dynamic and unpredictable global supply chain, including cost increases, interruptions, delays, complications, and other impacts related to armed conflict and/or cyber conflict and related international sanctions and reprisals; economic, social, and political instability, security concerns, and the risk of war, armed conflict and/or cyber conflict, particularly originating in, and complicated by, areas of heightened geopolitical tension and open conflict such as Ukraine, where we have outsourced research and development activities, Russia, and bordering territories; our liquidity; our ability to execute our strategic plan including our cost saving strategies, and to meet customer needs; our ability to retain and hire key personnel; our ability to produce innovative products in response to changing market demand, particularly in the media industry; our ability to successfully accomplish our product development plans; competitive factors; history of losses; fluctuations in our revenue based on, among other things, our performance and risks in particular geographies or markets; the impact of changes in accounting treatment interpretations over time; our higher indebtedness and ability to service it and meet the obligations thereunder; our ability to mitigate and remediate material weaknesses in our internal controls; restrictions in our credit facilities; our move to a subscription model and related effect on our revenues and ability to predict future revenues; fluctuations in subscription and maintenance renewal rates; elongated sales cycles; seasonal factors; other adverse changes in external economic conditions; variances in our revenue backlog and the realization thereof; the costs, disruption, and diversion of management's attention due to armed conflict and/or cyber conflict and related international sanctions and reprisals; the possibility of legal proceedings adverse to our Company; and other risks described in our reports filed from time to time with the U.S. Securities and Exchange Commission. Moreover. the business may be adversely affected by future legislative, regulatory or other changes, including tax law changes, as well as other economic, business and/or competitive factors. The risks included above are not exhaustive.
